gecko audio kit

complete audio connection kit for iPod & iPhone

This value pack has everything you need to connect your tunes at home, in your car or on the go! 24k gold plated connectors ensure you get trouble-free pristine audio whenever you connect a trance XD or soundwire.

Features:

Gecko soundwire 3.5

Slimline 1.0 metre stereo 3.5 to 3.5 mini-jack cable. Connects your iPod, iPhone or MP3 player to car stereos, speaker systems or any stereo mini-jack connector.

Gecko soundwire RCA

Slimline 1.2 metre 3.5 to stereo RCA cable. Connects your iPod, iPhone or MP3 player to home stereos, televisions, sound systems or any stereo RCA connection.

Gecko trance XD

A powerful 10mm driver and Bass Air Flow design ensures you get clean, crisp audio across all frequencies. Includes 3 sets of earbuds to ensure a perfect fit.

Retail pack dimensions:

16cm x 18cm x 2.5cm (HxLxW)

Master carton (qty 48) pack dimensions:

43cm x 42cm x 36cm (LxWxH)
