

# gecko guard clear protective film for iPod classic.

A simple yet effective protector for your iPod's screen surface. The all new premium coated iPod guard has a scratch-resistant surface, offering more durable and longer lasting protection. Guard can be left on even if an additional case is fitted.

Includes 2 x screen and 2 x back gecko guards, microfibre cloth, fitting instructions and applicator card.

### Features:

- Invisible protection.**  
The Gecko guard fits seamlessly onto the front of your iPod classic screen forming an invisible, protective layer. Your iPod guard can be left on even if an additional case is fitted.
- Easy to fit.**  
iPod guard comes with comprehensive installation instructions to help you get the perfect fit for protecting your iPod's display.
- Scratch resistant.**  
With the iPod's surface being so easy to scratch Gecko iPod guards are a must have for all iPod users. Made from premium scratch resistant film, the guard will protect and allow a long life of clear viewing for your iPod's screen.
