

gecko glove silicone protection for your 120GB iPod classic.

Super tough, super cool, silicone case for all-day scratch and bump protection of your iPod classic 120GB or 160GB. Features unique Gecko Grip, for a comfortable feel and a non-slip footing for your iPod on any surface. Place your classic on your dashboard or centre console of your car and watch the Gecko Grip in action. Includes open bottom design for easy attachment of additional accessories plus a bonus Gecko screen guard.

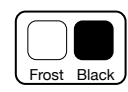

Features:

- 
Unique Gecko Grip.
 Stop your classic from sliding around in your car! Our non-slip Gecko Grip gives your classic sure footing on any surface.
- 
Perfect glove-like fit.
 Designed and engineered to fit iPod classic like a glove. Classic's screen, click wheel and dock cut-outs are positioned perfectly allowing for uninterrupted screen viewing and iPod operation.
- 
Open bottom design.
 Gecko glove has an open bottom to allow for the attachment of other iPod accessories without having to remove your gecko glove. Example, an FM transmitter can be connected and operated without removing iPod classic from the gecko glove.
