gecko guard

premium protection film for iPhone 4 - front & back

Gecko guard clear film offers optimal protection for your iPhone and reduces wear on your iPhone screen. Die-cut for a perfect fit. Protect the front and back of your iPhone against scratches and other potential damage.

Includes 2 x gecko guards, microfibre cloth, fitting instructions and applicator card.

Features:

Invisible protection.

Gecko guard fits seamlessly onto the front of your iPhone screen forming an invisible, protective layer. Your gecko guard can be left on even if an additional case is fitted.

Easy to fit.

Gecko guard comes with comprehensive, photographed installation instructions to help you get the perfect fit for your iPhone's screen.

Scratch resistant.

Your iPhone screen is constantly being used, making gecko guard a must have for all iPhone users. Made from premium scratch resistant film, gecko guard will protect and allow a long life of clear viewing for your iPhone's screen.
